Motorsport liability insurance

Insurance sums

The maximum compensation paid by the insurer for all loss events in an insurance year is the insured sums stated below.

EUR 7.500.000,- Personal injuries

EUR 1.300.000,- Property damage

EUR 400.000,- Material damage to participants among themselves

EUR 50.000,- Financial losses

The insurance cover extends to statutory liability

the insured person (driver)

This insurance cover applies when participating in motorsport events on closed race tracks within Europe. The insurance cover is subsidiary to any existing private liability insurance and/or event organizer liability insurance.

The federal government, states, municipalities and municipal associations are exempt from all claims for compensation that are made by participants or third parties on the occasion of the event based on statutory liability provisions.

Liability claims between drivers, vehicle owners and owners are also insured. The participant is not entitled to satisfy any claims without the prior consent of the organizer.

Insurance coverage is provided on a subsidiary basis.

Premium calculation basis / type of insurance (please select)

Automobile/Kart 600,00 EUR* Motorcycle 500,00 EUR*

*plus the respective state tax

The coverage complies with the requirements of the Law implementing Directive (EU) 2021/2118 with regard to motor vehicle liability insurance and the control of the corresponding insurance obligation and amending other insurance law provisions of 11 April 2024
