

## Special conditions

### For participation in motor sport events in which the achievement of top speeds is also important.

- **Insured person**

The following insurance cover is only provided for persons participating in motor sport events.

- **Scope of insurance**

In amendment of the SRC Motorsport Terms and Conditions 06/2017, the insurance cover extends to participation in motorsport events/driving events held by an organizer of an EU country (additionally Switzerland).

This insurance cover applies to participation in motor sport events/driving events within Europe on official race and training tracks.

Within the insurance period, the insurance cover for the insured person begins with the driving on the official event site and ends with the official end of the event.

Excluded from the insurance cover are private training rides which have the character of racing events and are carried out on public paths, roads and other terrain.

Travel to and from the event venue is not covered.

Insurance cover is granted on a subsidiary basis.

- **Special obligations in the event of a claim**

When reporting a claim, the policyholder must enclose official confirmation from the organizer that the event/training was duly attended.
